## **CCM Update on Company Register**

Practice Directive Nos 2/2017 and 5/2018

| by Jessica Kew Jia Sin |

The Companies Commission of Malaysia (CCM) has revised its Practice Directive 2/2017 and issued a new Practice Directive 5/2018 as follows:

### **Nature of Business**

Companies are not allowed to state their nature of business as “DORMANT” and are required to state clearly the type of business activities they were registered for: see [Practice Directive No 2/2017](#)

### **Change of Company’s Particulars**

Any change of particulars before the anniversary date of the incorporation of the company must be lodged using the requisite forms with the Registrar before the lodgement of the annual return so that the annual return lodged can reflect the change of particulars. The lodgement of the annual return cannot be used as a substitute for the lodgement of change of particulars: see [Practice Directive No 5/2018](#)
