### Chee Yong Lim

Partner  
Lee Hishammuddin Allen & Gledhill

Join us for an informative session on the role of experts in dispute resolution. Our program will cover the nature of disputes that require the expertise of delay, quantum, and technical experts, and the deciding factors for their involvement. Learn how experts add value to the dispute resolution process and the best time to get them on board. We will also discuss the challenges of appointing experts and how to overcome them.

## Agenda

- 2:00 PM Registration
- 2:30 PM Introduction Remarks
- 2:35 PM Panel Session
  - The Expert Game – Setting the Scene**
    - Nature of disputes requiring delay, quantum and technical experts (deciding factors)
